Work on eradicating the Gender Pay Gap –

The Company workforce is predominantly female; even in the highest paid quartile 84% of employees are female, showing that there are strong career progression opportunities for women.

Measures which are being used include:

- Support for women returning to work – through shared parental leave, job sharing, compressed hours, part-time, and term-time opportunities alongside new modernised agile working practices established across the Company.
- Encouraging all the Tfc workforce to take advantage of the flexible and agile working arrangements in place to enable them to fulfil their caring responsibilities.
- Continuous improvements for the recruitment process: the Company has modernised recruitment procedures and practices eliminating potential for unconscious bias.
- Tfc has established an Equity and Diversity network and forum in order to promote and ensure inclusivity across the workforce
