

Audit Certificate in respect of Sunderland City Council for the 2017/18 financial year

Certificate

In our auditor's report dated 31 July 2018, we explained that the audit could not be formally concluded until we had completed our work on the Council's Whole of Government Accounts.

This work has now been completed. No matters have come to our attention since 31 July 2018 that would have a material impact on the financial statements on which we gave our opinion, or on our value for money conclusion.

We certify that we have completed the audit of Sunderland City Council for 2017/18 in accordance with the requirements of the Local Audit and Accountability Act 2014 and the Code of Audit Practice issued by the National Audit Office.
