

Coalfield

Area Committee Delivery Plan covering the wards of
Copt Hill, Hetton, Houghton and Shiney Row

Sunderland
City Council

Introduction

As Chair of the Coalfield Area Committee, I am delighted to present the Coalfield Area Committee Delivery Plan, covering the wards of Copt Hill, Hetton, Houghton and Shiney Row.

During 2019-20 we launched our resident engagement strategy – Let’s Talk Sunderland, where we asked residents what they liked about their neighbourhood, what they’d like to change and how they could become more involved within their community.

We received an excellent response from residents of all ages and communities, including from our local area. Clearly our residents love their neighbourhoods and their city – however they feel it could be better cared for; with more enforcement against those who don’t. They value the strong community spirit and they want to support vulnerable communities. Significant investment is ongoing across Sunderland creating an exciting and vibrant, healthy and dynamic city for everyone – we must however bring back the vibrancy of our neighbourhoods too, ensuring all residents share the journey.

Sunderland City Council supported by the Coalfield Area Committee, alongside partners and the voluntary and community sector are determined to deliver the Coalfield Neighbourhood Investment Plan, which was approved by the Council’s Cabinet in March 2020, and to ensure the priorities are achieved, this Area Committee Delivery Plan has been produced.

This Delivery Plan is a dynamic document, supported by a Neighbourhood Investment Capital Programme as well as the Area Committee’s Neighbourhood Funds. I urge you to monitor the Council’s progress, as we work hard to improve the lives of our residents.

We will also continue to engage with residents through Let’s Talk Sunderland, consulting further with residents on key topics as the city continues to move forward beyond the Covid-19 pandemic. We will develop a pledge with residents and partners to continue to invest and improve our neighbourhoods – together.

Councillor James Blackburn,
Chair of the Coalfield Area Committee

J. Blackburn

What we have achieved so far

Following the approval of the five Neighbourhood Investment Plans at Cabinet in March 2020, no-one could have anticipated the impact the Coronavirus (COVID-19) would have across the world.

The COVID-19 pandemic was like no other ever experienced in our lifetime, however the Sunderland people came together as they always do during a crisis. On Monday 23 March 2020, the Prime Minister declared to the nation that we must work together, stay at home to stay safe and protect the NHS.

From Tuesday 24 March onwards, our communities mobilised themselves like never before, looking out for each other and working together to support our most vulnerable. Elected Members, alongside officers from across the Council, key partners and our Voluntary and Community Sector quickly and pragmatically established Area Community Hubs.

These hubs coordinated support to our residents, phoning them to check on their welfare if they were shielded, knocking on their door if we were unable to contact them by phone. A leaflet was posted through the letter box of every household, advising residents how to ask for help as well as how to offer their help and support.

The Area Community Hubs have been hugely successful in delivering the response to COVID-19 and particularly in relation to working with partners and more specifically working with VCS.

We will ensure we capture the positives of this approach and strengthen this in our future delivery arrangements to enable the Neighbourhood Investment Plans to be delivered efficiently for the benefit of all partners and residents.

The residents of Sunderland must also continue to be given the opportunity to play their part – just as they have done over the last few months. The community spirit across our neighbourhoods, which kept the city going during the pandemic's darkest days, will strengthen the outcomes of the Neighbourhood Investment Plans.

Sunderland City Council remains committed to delivering the five Neighbourhood Investment Plans, committing both Capital and Revenue resources to support delivery all the priorities, agreed through significant consultation with residents and partners. Each of the five Area Committees are committed to their delivery – achieving the best outcomes possible, for all residents.

As well as delivering projects and investing within our neighbourhoods the Council is also investing significantly in the City Centre and Riverside, as well as across the city to improve housing, highway infrastructure, Digital opportunities and 5G connectivity, increase business investment and growth, expand the cultural offer and reduce our carbon footprint.

Council frontline services continue to be reformed to clean-up neighbourhoods, enforcing against those who insist on dropping litter and fly-tipping as well as targeting anti-social behaviour and crime.

Growing capacity within our voluntary and community sector will also be crucial as we move forward, enabling residents, of every age, to access vital health and wellbeing services to reduce health inequalities as well as bespoke support to enable financial resilience and digital participation.

Residents clearly stated during the Let's Talk consultation that they wanted to know more about what the Council was doing within neighbourhoods on a day to day basis.

The Neighbourhood Investment Delivery Plans will continue to be available to view via the Council's website. Residents will be able to track delivery of priorities as well as investment within the neighbourhoods from across all Council services. This tracking facility will not only keep residents informed but also enable them to see where they could also get involved to support community efforts or projects.

The Coalfield Area Committee is excited to be also sharing within this document how we are specifically supporting the Neighbourhood Investment Plan, demonstrating how we are leading change and investment within our neighbourhoods, through our neighbourhood funding, to support the priorities raised by residents, alongside the wider council – please follow our progress as we work together to transform our communities and neighbourhoods for the future.

Neighbourhood Investment Plan delivery model

City Plan

Resident consultation

Coalfield Neighbourhood Investment Plan

approved by Cabinet in March 2020

Sunderland City Council working towards delivery of priorities to:

- Improve housing
- Create and clean and green environment
- Highways investment
- Become a digitally Smart City
- Large-scale investment
- Supporting job opportunities and raising aspirations
- Improving health and wellbeing
- Supporting the voluntary and community sector
- Reducing crime and anti-social behaviour
- Improving financial resilience
- Celebrating heritage
- Delivering events
- Supporting young people

Coalfield Area Committee Delivery Plan

supporting delivery of additional projects to add value to council activities, working closely with residents, partners and the voluntary and community sector to improve people's live and create resilience communities using all available resources.

Page 5 onwards within this document.

Residents can track progress via

www.sunderland.gov.uk/neighbourhoodinvestmentplans

Coalfield Area Committee delivery plan 2020-23

The Plan is a working document, which will include additional information from other public sector partners and VCS Area Network, where relevant.

The Plan commits the Area Committee to a significant number of priorities, which will be delivered within the Coalfield area of Sunderland, to address the key issues raised by residents. The Plan will be monitored by the Area Committee and actions will be addressed throughout the next three years via the Coalfield Neighbourhood and Communities Board.

Residents will be able to monitor delivery of the plan via the online activity tracker which will be available to access at www.sunderland.gov.uk as well as through quarterly Area Committee update reports. The Coalfield Area Priorities for 2020 – 2023 are:

1. Tackle empty properties
2. Derelict land and property
3. Enforcement
4. Bloom Activity
5. Transport and Parking
6. Highways, pavements and street lighting
7. Parks, play areas, cycle and walking routes
8. Digital Learning
9. Shopping Centres and Local Businesses

10. Vacant Properties as Cultural Hubs and Leisure Activities
11. Job Opportunities and Job Clubs
12. Social Prescribing – Reduce Social Isolation
13. Local Greenspace
14. Support voluntary and community sector
15. Youth Clubs
16. Reduce fear of crime
17. Preserve and celebrate local heritage

It is now the responsibility of Coalfield Sunderland Area Committee to deliver their Plan which will form the work programme for the Area Committee and the Neighbourhood and Community Board for the coming months and years.

NB: numbers are for reference only, they do not list priorities in order.

Neighbourhood Investment priority

1 Tackle empty properties

Links to: A Dynamic Smart City More and better housing

Action	Next steps?	Progress
Explore the feasibility of implementing a time limit on how long properties can be boarded up.	Request an update on current delivery in the area from the Empty Property Team and invite officers to attend a Board meeting	<p>Officers from Housing Services gave an update to the February 2022 N&C Board meeting about the range of functions within the service, including:</p> <p>Private Rented Sector - Officers work in partnership with Private Landlords to tackle poor property standards to improve management practices via a range of measures including accreditation, private sector leasing and deposit guarantee.</p> <p>Empty Homes - Officers work to tackle empty homes and return them back into sustainable occupation across the City. Further information regarding number of empty homes and strategies to improve problematic areas were discussed.</p>

Neighbourhood Investment priority

1 Tackle empty properties

Action	Next steps?	Progress
<p>Explore all types of enforcement powers to improve neighbourhoods</p>	<p>Invite relevant officers to discuss where Area Committee can influence and add value to current services. Request update on enforcement reporting and feedback</p>	<p>The Enforcement Task and Finish group received updates from a number of officers on the various enforcement powers available. Actions by Environmental Enforcement and ASB teams has taken place, including the removal of a number of nuisance/derelict caravans which were causing a blight on neighbourhoods.</p> <p>An update was given to the February 2022 Board meeting regarding additional resources for the Coalfield area including 2 fixed term enforcement wardens and 5 additional street watch cameras which will be deployed and monitored for a 6 month period with results being presented to the Board.</p> <p>To complement the work to date, and to encourage community ownership and resident participation, the N&C Board explored the development of a 'Clean it, Green it' project at the November 2021 meeting. Further information was requested and was presented to the February 2022 Board meeting. A recommendation to allocate a budget and develop a 'call for projects' is presented to the March Area Committee</p>

Neighbourhood Investment priority

1 Tackle empty properties

Action	Next steps?	Progress
Improve the physical environment of areas with high levels of empty properties and transient tenants	Request information on what environmental services provide in terms of maintenance in problematic areas.	As above. The Environmental Enforcement team has employed a number of additional officers who can work across all areas to increase capacity in the Coalfield area. Housing services updated the Board at the February 2022 meeting and highlighted work they are carrying out in areas with high levels of empty properties.

Neighbourhood Investment priority

2 Review derelict land and properties to further create green and cultural communities

Links to: A Healthy Smart City Cleaner and more attractive city and neighbourhoods

Request an update on derelict land and properties to Coalfield Neighbourhood and Community Board

Invite relevant officers to a future Board meeting to inform specific areas where Area Committee can provide additional resources

The Green Infrastructure programme (now re-named LinkTogether) will address some of the areas identified by Members. Other areas will be discussed at future meetings with the Local Services Manager.

The Neighbourhood Fund environmental improvements project is delivering small scale projects to support this priority.

Housing services updated the Board at the February 2022 meeting and highlighted work they are carrying out in areas with high levels of problematic properties

Carry out environmental improvements at Flintmill Park and other identified greenspaces

Invite the lead on the Coalfield Green Infrastructure Strategy to attend Area Board in order to explore further project development

A request for funding for £200,000 Neighbourhood Fund to deliver environmental improvements was approved by the December 2021 Area Committee as part of the Link Together project. This will be used as match funding for a project application for almost £1m which has been submitted to the Heritage Fund. A decision is expected by the end of March and the outcome will be reported to Area Committee as soon as it is known.

Neighbourhood Investment priority

2 Review derelict land and properties to further create green and cultural communities

Look at open and green spaces across the wards where derelict land, where not identified for other use, can be improved and/or used for community activity

Invite the lead on the Coalfield Green Infrastructure Strategy to attend Area Board in order to explore further project development

A report has been provided identifying a number of green spaces which can be improved or enhanced to encourage increased community use including Keir Hardie field, Newbottle and Barnwell field. Other sites have been assessed and projects will be developed using the information provided. The LinkTogether project is designed to engage local people and encourage community use.

The N&C Board explored the development of a 'Clean it, Green it' project at the November 2021 meeting. Further information was requested and was presented to the February 2022 Board meeting. A recommendation to allocate a budget and develop a 'call for projects' is presented to the March Area Committee.

Neighbourhood Investment priority

3 Ensure all available enforcement powers are used to tackle those who continue to fly tip, drop litter and spoil the neighbourhood

Links to: A Healthy Smart City Cleaner and more attractive city and neighbourhoods

Action	Next steps?	Progress
Consider dealing with unsightly caravans, unroadworthy cars and advertising vehicles taking up space on grass verges	Set up Enforcement Task Group to consider all enforcement powers the Council have. Invite relevant officers to discuss where Area Committee can influence and add value to current services	<p>Actions by Environmental Enforcement and ASB teams has taken place, including the removal of a number of nuisance/derelict caravans which were causing a blight on neighbourhoods.</p> <p>An update was given to the February 2022 Board meeting regarding additional resources for the Coalfield area including 2 fixed term enforcement wardens and 5 additional street watch cameras which will be deployed and monitored for a 6 month period with results being presented to the Board.</p> <p>The council 'report it' system should be used to report any incidents of ASB or environmental damage. Resources are deployed in areas of highest reporting and therefore it is important that all residents ensure reporting is carried out.</p>
Continue the multi agency approach to large and ongoing fly-tips at the former Forest Estate, Easington Lane	Invite relevant officers to provide information to the Task group (above) and continue to feed into LMAPS	The multi agency action at this site is ongoing. LMAPS continue to monitor and take action to maintain improvements. Although there have been some successes in terms of prosecution/fines/vehicle removal it is difficult to obtain evidence on which to tackle the issue entirely. Senior Council officers are in discussion with other land owners to identify a strategic partnership solution to the issue

Neighbourhood Investment priority

4 Bloom activities and supporting residents to grow their own

Links to: A Vibrant Smart City More residents participating in their community
A Healthy City Smart City Cleaner and more attractive city and neighbourhoods
Sunderland Community Wealth Strategy Community empowerment, engagement and involvement

Request further information regarding 'Gateway' improvements and how Area Committee may be able to enhance/further develop plans

ACDL to request further information on planned 'Gateway' improvements

Information on 'gateways' to the area is being gathered and will be presented to the Neighbourhood and Community Board and future Area Committee to identify actions

Neighbourhood Investment priority

5 Transport routes and parking issues in residential and local shopping areas

Links to: A Healthy Smart City Great transport and travel links
A Healthy Smart City More and better housing
Sunderland Community Wealth Strategy Business growth and investment in VCS

Action	Next steps?	Progress
Work with Gentoo to explore solutions to parking issues on some estates.		
Work with colleagues to ensure adequate parking is provided on new housing estates		This is part of the planning process and will be considered, as and when, developments are in the planning stage.

Neighbourhood Investment priority

6 Highways, pavements and street lighting

Links to: A Vibrant Smart City People feeling safe in their neighbourhoods
A Healthy City Smart City Cleaner and more attractive city and neighbourhoods

Consider possibility of removal of derelict planters and replace or pave over (e.g. Gravel Walks/Stanley Street area, Houghton)

Invite Highways officers to an Area Board meeting to discuss

A number of local schemes, identified by the N&C Board, are planned or underway, as part of the Neighbourhood Fund Environmental Improvements project, including clearing, re-planting and re-instating concrete planters around the Gravel Walks area. The work commenced at the beginning of March 2022

Progress the Vehicle Activated Sign (VAS) programme within the Coalfield area.

Highways colleagues developed and implemented a programme of 8 signs, deployed across 31 sites on a 3 month rolling programme.

The September 2021 Area Committee approved funding to purchase a further 4 vehicle activated speed signs (VAS) (one for each ward) to deploy in areas where there is a concern, from residents and members, that vehicles are speeding and causing safety issues for pedestrians and other road users. All Coalfield Sunderland Councillors receive a quarterly report containing analysis of results and future rotations.

Neighbourhood Investment priority

7 Parks, play areas, cycle and walking routes

Links to: A Vibrant Smart City More people visiting Sunderland and more residents informing and participating in cultural events, programmes and activities
 A Healthy Smart City Cleaner and more attractive City and neighbourhoods

Action	Next steps?	Progress
Explore the feasibility of installing additional/improved signage at key locations	Request further information from the PROW Officer on current footpath and cycleway signage to inform next steps	New signs have been installed at Hetton Park. The Stephenson Trail Task group will identify footpath and cycleway signage requirements on the route
Support renewal of bins in Hetton Lyons Country Park (and other areas where relevant)	Request location and condition information of rubbish/dog bins in parks to inform next steps	An audit has been carried out on the condition of bins. Bins will be replaced in Hetton Lyons Country Park as part of a Citywide programme.
Support the improvement and increased use of Hetton Park	Request further information on the future plans for Hetton Park to inform next steps and the potential development of a park management plan	Following consultation (between July and November 2021) regarding Hetton Park, the initial designs have been revised to take in comments and views of the community and respond to consultation feedback. New signs and bins have been installed and further improvements including a community orchard, picnic benches, new seating and improved games facilities are planned.

Neighbourhood Investment priority

7 Parks, play areas, cycle and walking routes

Action	Next steps?	Progress
Support improvements in Rectory Park, Houghton le Spring	Set up a Task group with ward members and partners. Allocate capital funding to assist improvements	Area Committee has allocated £100,000 for improvements in Houghton Rectory Park. Consultation was carried out between October and December 2021. A project steering group has been formed to consider the results of the consultation and develop a park plan. The top suggestion for improvement was lighting in the park. An audit has been carried out and a lighting plan with costs presented to the steering group. A request for funding is presented to the March 2022 Area Committee. Further information on plans for the park will be reported to the June 2022 Area Committee.
Provide additional, accessible, play equipment in key parks across the Coalfield area	Invite Assistant Director of Environmental Services to an Area Board meeting to discuss condition survey, future plans and areas where Area Committee can add value to planned provision	<p>A condition survey of all fixed play sites has been carried out and information was presented to the November 2021 Board. Available budgets are being worked on to discuss feasibility of enhancing planned works to include accessible equipment. The Assistant Director of Community Resilience will attend the next N&C Board meeting to discuss future developments.</p> <p>Keir Hardie play area is now complete, despite a number of set backs due to criminal damage and vandalism during installation. The area will be monitored for ASB.</p> <p>Improvements to the play area and installation of a skate park at Easington Lane Flatts is now complete and was well received during the Summer Holidays.</p>

Neighbourhood Investment priority

8 Digital learning resources

Links to: A Dynamic Smart City A lower carbon City with greater digital connectivity for all
 A Dynamic Smart City More local people with better qualifications and skills
 Sunderland Community Wealth Strategy Improving community resilience

Implement the next phase of the Neighbourhood Funded Digital Inclusion programme to enable support to residents within the community

ACDL to develop project brief and invite applications via the VCS Network

The Coalfield Communities Connected project, delivered by Springboard, provides 1-2-1 and small group support to local residents who require advice or help with anything digital. The service has now been expanded to additional local venues.

- Monday ELCAP
- Tuesday Houghton Library
- Wednesday ShARP
- Thursday Houghton Racecourse CA

Develop a 'loan' scheme to provide IT equipment to children and young people who do not have computers at home.

Funding was approved at the March 2021 Area Committee to purchase devices for loan.

Hetton, Kepier, Biddick and St Roberts schools now have the equipment in place and are allocating to pupils resident in the Coalfield area.

Neighbourhood Investment priority

9 Shopping centres and local businesses

Links to: A Dynamic Smart City A stronger city centre with more businesses, housing and cultural opportunities
 A Vibrant Smart City More residents participating in their communities
 Sunderland Community Wealth Strategy Business growth and investment in VCS

Action	Next steps?	Progress
<p>Encourage use of Shop Local and using smaller traders in the community</p>	<p>Build on the support for local business messages developed during lock-down. Promote the benefits of local shopping. Use Coalfield Sunderland Community facebook page</p>	<p>The work of the Coalfield Community Hub (a partnership between Sunderland City Council and a range of VCS partners) has promoted the services provided by local retailers within the Community. Shopping support to those who are isolated or vulnerable has been carried out by local groups and volunteers and has supported, where possible, shops and services within the local community.</p> <p>In addition to the local welfare provision, an Enhanced Winter Offer is being delivered across the Coalfield to support those who are struggling with food and fuel. Local shops in Hetton, Houghton and Shiney Row are being used for vouchers where possible. A 'Christmas Cheer' project funding by all four Coalfield Wards via Community Chest will use local shops in Hetton, Houghton and Shiney Row when purchasing vouchers</p>

Neighbourhood Investment priority

10 Vacant properties as cultural hubs and leisure activities

Links to: A Vibrant Smart City More people visiting Sunderland and more residents informing and participating in cultural events, programmes and activities
Sunderland Community Wealth Strategy Socially productive asset management

Explore opportunities for Elemore Golf Course e.g. community farm, community forest and space for mini-festivals, training and apprenticeships. Area Committee to consider funding a feasibility study/business plan

Set up a Task Group to explore vacant properties and feasibility for future use for cultural and leisure activity.

Sunderland City Council has set up a project group to protect and develop the site, now known as 'Elemore Park'. It is proposed to develop the club house and the greenspace area for the benefit of the local and wider community as a location of natural and historic importance. March Area Committee approved a sum of £100k to support the planned work. The project group continue to meet regularly to develop and implement the agreed action plan. Ecology surveys have been completed and designs for the building and the site have been drawn up, in preparation for a planning application. A visitor centre, horticultural activity and a coffee shop, as well as walks, wildlife activities and educational provision, are part of the proposals for development. School and community action days including bird watching, tree identification and tree planting are taking place.

Neighbourhood Investment priority

10 Vacant properties as cultural hubs and leisure activities

Explore the feasibility of creating a heritage centre at the former Philadelphia Depot

Area Committee approved a project to carry out a condition survey of the building. The final survey results have now been reviewed by the N&C Board and passed on to Northern National Restoration Group (NNRG) who currently occupy the building. NNRG can now use this document, along with their business plan to plan next steps for the group, and the building.

Identify vacant sites and their current and future use

Task and Finish Group members to identify any other key sites for discussion

The Group discussed the currently underutilised building in Herrington Country Park, and the potential for future use. Funding was agreed by Council to develop the building and an outline design for a café has been drawn up by Design Services

Neighbourhood Investment priority

11 Job opportunities and job clubs

Links to: A Dynamic Smart City More and better jobs
 A Dynamic Smart City More local people with better qualifications and skills
 Sunderland Community Wealth Strategy Improving community resilience

Support local residents with employment-related information and training in local venues via VCS organisations	Set up a Task Group, and liaise with VCS partners, to explore what is currently available and where additionality can be provided to enhance support locally	Initial discussions with Springboard have taken place and a Task and Finish group meeting will be arranged for April/May to take this priority forward as part of year 3 of this plan
Provide relevant information to support small and artisan business and encourage development of CIC companies where appropriate	Set up a Task Group, and liaise with VCS partners, to explore what is currently available and where additionality can be provided to enhance support locally	
Support residents back into employment and maximise job opportunities		

Neighbourhood Investment priority

12 Social prescribing and reducing social isolation

Links to: A Healthy Smart City Reduced health inequalities enabling more people to live healthier longer lives
A Healthy Smart City People enjoying independent lives
Sunderland Community Wealth Strategy Improving community resilience
Sunderland Community Wealth Strategy Business growth and investment in VCS

Continue to provide affordable wellbeing activities to reduce social isolation and improve health (e.g. Zumba, dance fit, walking football etc...)

Area Board to discuss allocation of Neighbourhood Fund via a Call for Projects to the VCS Network

The Coalfield Community Hub partners are supporting residents to take part in activities and services across the area. A network of partners, working with the Coalfield GP Alliance social prescribing team, offer a range of social and community support to those who need it

A City Council funded Covid 19 Mental Health and Wellbeing project is being delivered in the Coalfield area by 5 organisations who have come together to form a 'mental health partnership'. One element of the project is telephone befriending.

A number of Neighbourhood Fund projects were approved at the June 2021 Area Committee and have now commenced activities to engage and support local residents, including:

- Down at the Pit
- Men's Shed at Elba Park
- Our Day Out
- Coalfield Singing Project
- Penshaw Pals

Neighbourhood Investment priority

12 Social prescribing and reducing social isolation

Provide befriending and welfare support to local residents via telephone, facetime or 1-2-1 in person

Area Board to discuss allocation of Neighbourhood Fund to address this priority

The Coalfield Community Hub, set up in response to the Covid 19 pandemic, has continued to provide befriending support and keep in touch calls to residents who require them. Neighbourhood Fund projects including Our Day Out and Encouraging Participation include an element of befriending support.

Happy to Chat benches have been created in Hetton in partnership with Hetton New Dawn. This is the first of a series of identified seating across the City to invite people to take time to chat to others. Signs will be installed in Houghton ward in partnership with The Old Rectory, and in Shiney Row ward in partnership with ShARP

Neighbourhood Investment priority

13 Enhance local greenspace and encourage wider use

Links to: A Healthy Smart City Cleaner and more attractive city and neighbourhoods
A Vibrant Smart City More residents participating in their communities

Action	Next steps?	Progress
Explore the expansion of green gyms and adult exercise equipment in parks	ACDL to request further information from colleagues in Sport and Leisure	Equipment has been installed in Hetton Lyons Country park. Other venues will be explored if a need is identified
Consider the improvement and promotion of local greenspaces, not identified for other use, for community activity	Invite the lead on the Green Infrastructure Strategy to discuss with the Area Board to inform next steps	The N&C Board will further develop this as part of the LinkTogether project
Look into improved signage for footpaths and cycle routes	Discuss as part of the Green Infrastructure Strategy	This is being developed as part of the wider LinkTogether project. New signage for Hetton Bogs has been installed

Neighbourhood Investment priority

14 Support the voluntary and community sector to provide additional services within local community venues as well as host community events/activities

Links to: A Vibrant Smart City More residents participating in their communities
Sunderland Community Wealth Strategy Increasing social value through procurement and wider activity
Sunderland Community Wealth Strategy Business growth and investment in VCS

Continue to provide funding opportunities to local organisations via the VCS Network

All funding opportunities (internal and external) to be circulated to the VCS Network via information sharing from the Area Team

A regular bulletin including information sharing and funding opportunities is circulated to all VCS Network members. The VCS continue to be supported by the Area Committee, the Community Hubs receive on-going support and the VCS Network continues to be supported to ensure they have access to all internal and external funding opportunities.

Regular VCS Network meetings and contact with VCS Representatives to Area Committee ensure that views and input are incorporated into project ideas and actions.

The retirement of one of the VCS Representatives left a vacancy which was promoted at the November meeting and at the most recent meeting on 1 March. Nominations have been invited and the group will select a rep at the next meeting on 5 April.

Sunderland City Council continue to support a thriving voluntary sector and is a key partner in the VCS Alliance which is set up to support and build capacity in the sector.

Neighbourhood Investment priority

15 Support youth clubs and spaces for young people to be together and feel safe

Action	Next steps?	Progress
<p>Explore the development of a responsive service that can deal with problematic areas as they arise</p>	<p>Set up a Task group to look at ASB prevention and longer term strategies</p>	<p>The NF youth project is designed to respond to areas of need/concern and provides outreach work in those areas.</p> <p>The ASB Task and Finish group met in February 2022 and discussed the need for more proactive and partnership working. A proposal to fund an additional ASB Officer for the area is contained in the Area Budget report to the March Area Committee.</p>
<p>Support activities for children and young people during school holidays</p>	<p>Based on consultation, Coalfield Area Committee made a Call for Projects for local groups and organisations to deliver a series of 'activity with food' sessions during school holidays from July 2021 to May 2022.</p>	<p>A total of £37,431 was allocated to 8 projects across the Coalfield area. During the Summer 2021 and October half term 2021 holidays a total of 76 sessions were delivered to 556 children and young people aged 4-14. This programme is now coming to an end and the N&C Board recommend development of a Call for Projects, with applications being presented to the June 2022 Area Committee</p>

Neighbourhood Investment priority

16 Reduce fear of crime by working in partnership across neighbourhoods to bring communities of all ages together

Links to: A Vibrant Smart City More people feeling safe in their homes and neighbourhoods

Develop long term strategies, with partners, for dealing with ASB

Set up a Task group to look at ASB prevention

Following a meeting of the ASB Task and Finish group, the Board received further information regarding current initiatives and services available to tackle ASB across the area. It was agreed that a proposal to fund an additional ASB Officer to strengthen a proactive and partnership approach would be brought to Area Committee and recommend approval of an application for funding

Explore the feasibility/benefits of setting up a boxing club in Hetton

Set up a Task group to look at ASB prevention

Potential premises are currently being explored and Council Officers are working with Councillors to liaise with England Boxing to gather more information

Neighbourhood Investment priority

17 Preserve and celebrate local heritage

Links to: A Vibrant Smart City More people visiting Sunderland and more residents informing and participating in cultural events, programmes and activities
Sunderland Community Wealth Strategy Community empowerment, engagement and involvement

Action	Next steps?	Progress
<p>Explore opportunities to celebrate Hetton Railway 200 year anniversary</p>	<p>Area Co-ordinator to discuss with other areas of Sunderland, who have also identified this opportunity</p>	<p>A Stephenson Trail Task and Finish group with members from the Coalfield, East and West areas has developed an action plan and each of the three Area Committees have approved £50k funding.</p> <p>In February 2022, the Stephenson Trail Task Group received an update on the Walking the Routes results, which identified environmental and physical improvements required. Working with Council services and partners the Task Group is developing an action plan to improve the route of the trail.</p> <p>The Cultural Spring will deliver an Educational programme and are engaging with seven primary schools, whose location is near the Trail. The Schools in the Coalfield area (St Michaels, Hetton Primary, Easington Lane Primary) will work with specialists from the creative sector to produce an Education Pack which will be shared with other Primary Schools within the City. In addition, there is an array of community activities on offer during 2022, which include: way markers competition; song writing; banners and flags project; photo competition; oral history recordings; pop up gigs across the Summer months</p>

Neighbourhood Investment priority

17 Preserve and celebrate local heritage

Action	Next steps?	Progress
Support the development of a commemorative mining statue/memorial on the old Houghton Colliery site	ACDL to liaise with Development Director of Land and Investment to explore how Area Committee can enhance proposals for the site	Further to approval of £50,000 at the December 2020 Area Committee, the artwork for the site was agreed, and has been included in the planning application which was approved at the November 2021 Development Control meeting. Further options for a mining memorial plaque are being explored.
Explore the feasibility of creating a mining 'map' on the paving of the new retail development at Houghton		As above
Continue to support local events and celebrations via Neighbourhood Fund	Celebrate 100 year anniversary of Easington Lane memorial clock which was unveiled by Lord Joicey on 27 August 1921	The event took place on 28 August 2021

Key outputs achieved by Coalfield Area Committee 2019-20

£342,054	177	1,262	915	1,004
Neighbourhood funding awarded to 27 projects during 2019-20.	People supported regarding Universal Credit benefit advice.	Primary school pupils engaged in environmental education projects.	People participating in structured training sessions to improve digital skills.	People supported on a 1-2-1 basis to access IT equipment and training.
£39,620	111	28	48	90
Was awarded to 62 groups within the local community via Community Chest, with an average grant of £600 to support neighbourhood projects.	Carers or family members given 1-2-1 advice and support.	New volunteers recruited, trained and given ongoing support to volunteer in local community organisations.	Local organisations supported to develop their capacity, apply for funding and strengthen their governance arrangements.	Young people volunteered through the youth social action project.
12	583	94	463	32
