

The image is a site plan for Elemore Heritage and Eco Park, overlaid on a detailed architectural drawing of a residential or institutional building complex. The plan is divided into several distinct zones, each highlighted with a different color and labeled with text. The zones are: a large green area on the left labeled 'Eco Zone'; a large orange area on the right labeled 'Country Park'; a yellow area at the bottom left labeled 'Grazing'; a blue area at the bottom center labeled 'Camping and education'; a pink area at the bottom right labeled 'Visitor centre, interpretation and heritage'; and a red area at the very bottom labeled 'Livestock area and garden centre'. The background drawing shows a grid of streets, building footprints, and various outdoor spaces like ponds and trees.
